HQC-case: Higher quality and more competitive prices cases what we could

supply.

HQC-case have many years` experience to produce and manage various **aluminum cases**, including **aluminum tool caseS,flight cases, first aid boxes, cosmetic cases**, and **custom aluminum cases**, etc.

Besides, we have developed **Pelican cases and Leather cases** with our partner, it enlarges the styles which the customers could choose.

such kinds of specifications, and multiple types aluminum alloy boxes, and carries on aluminum box processing business according to the material and sample, and we can design and manufacture according to the demands of clients. Depending on the reliable quality, excellent technique, reasonable price and high-quality service, the products of our company have been deeply favored by clients both home and abroad.

For aluminum cases, there are so many different styles. What they are used to do could tell us their difference. Usual ones include tool cases, instrument cases, cosmetic cases, brief cases, gun cases, storage cases, carrying cases, CD cases, poker chip cases, record cases, camera cases, medical cases, travel cases, gift cases, beauty cases and so on.

For these cases, the frame is aluminum and the panel is MDF+ABS or aluminum. They are not pure aluminum cases. To meet your requirements, we developed some pure aluminum cases too.

For Pelican cases, there are some other names as: Waterproof cases, camera cases, transport cases, ABS cases, and so on. They are best features:

- 1, Watertight, crushproof and dust proof
- 2, Easy open Double Throw latches
- 3, Open cell core with solid wall design-strong, light weight
- 4, O-ring seal
- 5, Automatic pressure Equalization Valve
- 6, Comfortable handle
- 7, Stainless steel hardware and padlock protectors
- 8, convoluted lid foam
- 9, Lifetime Guarantee of Excellence

Whenever you need, please feel free to contact us.

Moreover, we can provide clients with OEM services.
